Definition of Terms

- School Days:** All days that school is in service during the normal school year (first day of school through the last day of school).
- Early Release Days:** The days that school is scheduled to open late or release early.
- Holidays:** Days school is closed in recognition of a staff development or holiday. No care is provided on these days.
- Thanksgiving Break:** The school break designated by the school calendar when school is closed on the week of Thanksgiving (typically 3 days), this break does not include the day of or the day after Thanksgiving. Care on these days may be provided at an additional cost and at alternate sites depending on school availability. Additional registration and fees are required for Thanksgiving Break Care.

Winter Break:	The school break designated by the school calendar when schools are closed for the winter season. Care on these days may be provided at an additional cost and at alternate sites depending on school availability. Additional registration and fees are required for Winter Break Care.
Spring Break:	The school break designated by the school calendar when schools are closed for the spring season, typically 5 days. Care on these days may be provided at an additional cost and at alternate sites depending on school availability. Additional registration and fees are required for Spring Break Care.
Drop-In Services:	For occasional emergency care. Drop-in care is not available at all sites and times. A minimum of 24 hours (weekdays) notice is required to ensure staff has time to receive notice at the site to accept your child.
Emergency Closure:	Any unscheduled non-school day, late start or early releases due to weather or other emergencies. If the school district closes or releases early due to an emergency, no care will be provided on this day.
Facility Member:	YMCA Members that have joined the YMCA of Greater San Antonio for access and use of the facilities. Facility memberships are either paid in full for the year or paid by bank draft.
Non Member:	Participants that are enrolled in programs of the YMCA of Greater San Antonio but do not pay a membership fee for access to YMCA facilities.
Financial Assistance:	Families who may be unable to afford the full fee of the program service may have their payment reduced through our Open Doors Scholarship program. The reduction of fees is offset by generous financial donations from community members who are passionate about providing YMCA services to their community. Applications may be downloaded off the web site and are also available at your local branch.

Payment Method Options

Bank Draft:	<p>Automatic Transfer is our preferred payment plan. Bank draft allows parents to pay weekly one week in advance. There is a separate form for Bank Draft and Credit Card Authorization. The first month of enrollment may be required at the time of enrollment based on the draft and start date. The first draft for the school year is August 20th and last draft day will be May 27, 2018. Drafts will automatically cease at the end of the program. In the event a draft is declined the YMCA will automatically redraft and a NSF charge of \$30 may be assessed as well as any late fees accrued.</p> <p>Bank drafts are set to withdraw for your afterschool care on a weekly basis one week in advance. There will be a total of 37 drafts. In the months where school is closed for a week or more, you will have less drafts that month. Because we draft one week in advance, you will not be drafted on the following dates:</p> <p style="padding-left: 40px;">November Break: November 11, 2018 Winter Break: December 16th and 23rd Spring Break: March 3, 2019</p> <p>Please note that you will be drafted the Sunday prior to the holiday week. We draft one week early so the draft on the week of Thanksgiving for example would cover Nov 26-30, not the week of Thanksgiving. You should notice you were not drafted on Nov 11 that would have covered Nov 19-23, Thanksgiving week.</p>
Credit Card Draft:	Same as bank draft.
Standard Pay:	<p>Youth development payments paid by check or cash are due on the 25th of the month prior to the month of care. Payments are broken down to a prorated August installment and 9 equal monthly payments from August 25, 2017 – April 25, 2018 in the amount of \$247 for nonmembers and \$209 for members. Late payments will result in denial of care until the amount due is paid as well as any late fees assessed. The August payment is due on the 1st of August at a prorated weekly amount. If payment is not received, your child will not be allowed to start the first day of school. In order to provide ample time for processing, withdrawal requires a 15-day notice in writing.</p>
