

# RESPONDING QUICKLY TO THE NEED FOR CHANGE

The YMCA of Greater San Antonio pivoted services during the COVID-19 pandemic shutdown to meet critical community needs through:

CHILD CARE FOR ESSENTIAL PERSONNEL

**267** children of Essential Personnel received safe and engaging care that continued into the summer through day camp.

OUTREACH FOR SENIORS

**70,538** Seniors stayed active, motivated and inspired.

REMOTE LEARNING

**154** Summer engagement kits were mailed to SAISD students to offer a virtual summer learning camp.

FINANCIAL ASSISTANCE

**18,640** Individuals were impacted by Y programs and services because financial assistance was made available through Y Partner annual campaign donations.

VIRTUAL WELLNESS

**9,740** Y Members participated in our Virtual Wellness Classes online.

OUT OF SCHOOL TIME PROGRAMS

**6,996** Children and teens who participated in YMCA Out of School Time programming were able to experience education, mentorship and care, where 60% of families receive financial assistance.

FOOD SUPPORT FOR FAMILIES

**480,320** pounds of food was distributed to **9,169** families in partnership with the San Antonio Food Bank and National Guard.

DIABETES PREVENTION

**114** People graduated from the 12-week Diabetes Prevention and Intervention program focused on behavior change to live a healthier life. **104** people were served through the new virtual option for the program.

The Y also provided free Wi-Fi access points at our branches and space for an emergency respite center. The Y never closed – we are Here for Good.
