FAQ'S

Q. Who should be asked to contribute and what do they need to do?

A: If you attend one of our orientation or kickoff events, you are already committed to the Y and looking for ways to give back. We hope that you will encourage everyone in your network to consider donating to the 2023 One Y Annual Campaign! All donations to the campaign are eligible for a tax deduction. Donors will receive an email receipt from the YMCA of Greater San Antonio immediately following your donation that can be used for tax purposes. Credit and debit cards will be accepted on the giving page of our website.

Q. Can the Y accept contributions after the One Y Annual Campaign is officially over?

A: Yes! The giving doesn't have to stop at the end of our timeline. Our One Y Campaign page will remain active on an ongoing basis, which means you and those in your network can continue visiting the page to make contributions throughout the year!

Q. What can you do to help?

A: The most impactful thing that you can do to support the YMCA of Greater San Antonio is to make a donation and help spread the word about your participation among your friends, family, colleagues, etc., and to encourage them to give! Share your Y impact story and why you choose to give back to the Y. Tips & Tools will help you share the message.

Q. Why Give? How will funds be used?

A. When you donate to the YMCA of Greater San Antonio, you have a direct impact on lives in our communities. Join us in believing in people and their capacity to change, grow, and heal. Your support helps enrich our community's lives by encouraging youth development, supporting healthy living, and furthering our community's impact on social responsibility.
