YMCA OF GREATER SAN ANTONIO

OUR MISSION

To put Judeo-Christian principles into practice through programs that build a healthy spirit, mind, and body for all.

OUR VISION

A community where ALL people experience improved quality of life through belonging and well-being.

SUMMER DAY CAMP

**BEST.
SUMMER.
EVER.**

YMCA Summer Day Camp aims to foster healthy social-emotional development, build relationships, and create a sense of belonging while providing a safe and enriching environment for children to learn new skills, form lasting friendships, and have fun!

Almost 3,000 kids attend our day camps each summer, where they make new friends, learn new skills, and interact with nature as they engage in physical, social, and educational activities and create memories that will last a lifetime.

The YMCA is highly committed to youth development through Y summer day camp, as it actively fosters relationships, provides a sense of belonging, and empowers young individuals to achieve their fullest potential.

RELATIONSHIPS

Building relationships in day camp programs is essential because it creates a sense of community, fosters personal growth, and develops lifelong memories and connections. Relationships at camp also promote healthy social-emotional skills, acceptance of others, and inter-relational problem-solving.

BELONGING

A strong sense of belonging for kids provides them with security, acceptance, and support, allowing them to develop a positive self-image and personal identity to build positive relationships and thrive in their overall well-being.

ACHIEVEMENT

Promoting youth achievement instills a sense of purpose, boosts self-confidence, and fosters a growth mindset, ultimately preparing them for future success and unleashing unlimited potential.

SUMMER DAY CAMP

CHOOSE YOUR SUMMER CAMP ADVENTURE!

FIND YOUR FUN!

To deliver on the Y's commitment to empowering the potential of every child, our program helps campers discover what they are passionate about, form healthy relationships, and obtain a sense of belonging.

Summer camp at the Y invites youth to be inspired through creative play, field trips, sports, and more. It is an opportunity for young people to stay engaged socially and academically.

The Y's door is open to all, regardless of age, ability, faith, gender, or income, who will have the opportunity to experience camp. The Y offers financial assistance to families who may otherwise not be able to afford to send their children to camp.

- They are perfect for families who are looking for fun activities for their children during the summer but do not require all-day care.

SPORTS SPECIALTY CAMPS

Perfect your game, learn new skills, and have fun at our sports specialty camps! These camps focus on developing skills for specific sports, teamwork, and fair play.

- Formats and times vary by location.
- These camps may not meet every weekday and do not run the entire workday – making them perfect for children who do not require all-day care.

Summer and Sports Specialty Camps are offered for ages 5-14 years and vary by location.

Y specialty day camps offer kids an opportunity to expand their interests and learn new skills. Whether it is cooking, basketball, dance, or STEAM, at Y sport and specialty camps, kids have space to grow stronger, try new things, and build their confidence in a safe and nurturing environment.

AQUATICS

SWIM LESSONS

Ensuring safety in the water is crucial for saving lives. Acquiring swimming skills not only enhances personal safety but also unlocks a world of summer enjoyment for individuals of all ages. Our swim classes are categorized based on age and skill level, led by qualified instructors who prioritize personal safety, swimming proficiency, endurance, and social development. Swim lessons are available at all Y branches that are equipped with pools. Please reach out to your local branch for details on schedules and fees.

SWIM TEAMS

Becoming a member of a YMCA Swim Team means fun, fitness, and teamwork. YMCA swim teams are run by trained coaches and are designed to improve a young person's swimming skills, endurance, and racing techniques in a fun, non-competitive environment. YMCA swim teams promote healthy lifestyles while embracing the four core values of Caring, Honesty, Respect, Responsibility and Faith. Individual teams are organized by ability levels and designed to help members improve and refine their four competitive strokes, sets, starts, and finishes. Teams compete with other Y's and swim clubs at area meets. Visit your branch to learn more about swim team offerings in our area.

WATER EXERCISE

Join our nationally-certified instructors in the pool for a fun and challenging workout.

- Open to 13 and older. Each participant decides their own pace and repetitions.
- For anyone with compromised ankle, knee, and hip joints - the water significantly reduces the impact on your joints.
- No experience is necessary.

Splash those calories away!

YOUTH SPORTS

IT'S EVERYONE'S GAME

When youth play sports with the Y, they gain more than just exercise. They learn what it takes to be a leader in sports and life. Understanding the fundamentals of the game and safe play are just the beginning. Our coaches help youth learn the essentials of physical fitness, healthy development, and participation. We focus on improving their confidence and maintaining their determination. It doesn't matter who you are or where you came from; at the Y, it's everyone's game.

Interested in coaching your child or a team?

Reach out to us at coachsupport@ymcasatx.org, and we will get you everything you need to make an impact on kids in our community through sport. Every season, more kids want to play sports than parent volunteers signed up to coach. We can always use your help!

THERE'S A "Y" IN EVERY FAMILY

The Y is a great place to grow up. We have an enormous variety of activities for youth of all ages and interests, from basketball to rock climbing, chess club to dance class, and everything in between. The Y is the place where all youth can come to cultivate the skills and relationships that lead to positive behaviors, better health, and lifelong success—and have fun doing it. We pride ourselves on meeting the needs of all different types of families, so no matter what your background, your financial situation, or your schedule, there's a place for your kids at the Y.

FAMILY EVENTS

Family time at the Y is about giving families the opportunities to deepen relationships, develop new skills and interests, improve their health and well-being, and connect to the community.

Allow families a time and a place to come together to have a good time, participate in various fun activities, share, communicate, and strengthen their relationships, and meet other families. Family Nights are usually scheduled for a weekend evening and can be either structured or free-flowing. Activities include mixers, pool games, arts and crafts, family fitness, games, volunteer opportunities, and family discussions over refreshments.

Upcoming events will be posted throughout social media, our e-newsletter, and at your local Y!
