## **OUR MISSION**

To put Judeo-Christian principles into practice through programs that build a healthy spirit, mind, and body for all.

## **OUR VISION**

A community where ALL people experience improved quality of life through belonging and well-being.

# SUMMER DAY CAMP

**BEST.  
SUMMER.  
EVER.**

YMCA Summer Day Camp aims to foster healthy social-emotional development, build relationships, and create a sense of belonging while providing a safe and enriching environment for children to learn new skills, form lasting friendships, and have fun!

Almost 3,000 kids attend our day camps each summer, where they make new friends, learn new skills, and interact with nature as they engage in physical, social, and educational activities and create memories that will last a lifetime.

The YMCA is highly committed to youth development through Y summer day camp, as it actively fosters relationships, provides a sense of belonging, and empowers young individuals to achieve their fullest potential.

## RELATIONSHIPS

Building relationships in day camp programs is essential because it creates a sense of community, fosters personal growth, and develops lifelong memories and connections. Relationships at camp also promote healthy social-emotional skills, acceptance of others, and inter-relational problem-solving.

## BELONGING

A strong sense of belonging for kids provides them with security, acceptance, and support, allowing them to develop a positive self-image and personal identity to build positive relationships and thrive in their overall well-being.

## ACHIEVEMENT

Promoting youth achievement instills a sense of purpose, boosts self-confidence, and fosters a growth mindset, ultimately preparing them for future success and unleashing unlimited potential.
