DANCE, GYMNASTICS & CHEER

As the nation's leader in youth development, the Y serves as a great stepping stone into youth activities. Classes are taught by highly-trained instructors in a fun and encouraging environment.

Dance

Students will learn the fundamentals of dance, how to control their body movements, and have a greater awareness of rhythm and music.

We offer dance classes for various ages and skill levels, so whether a beginner or a pro, you can learn it all. Our main goal is to provide our youth with opportunities to develop confidence and responsibility.

Gymnastics

Our gymnastics programs are designed to provide a safe, nurturing environment for children and youth to develop gymnastics skills as well as build self-confidence and develop their social skills.

Cheer

Youth will learn fine motor skills, tumbling skills, and cheer elements while building self-confidence and developing their social skills.

Sports Cheer & Sprirt Squad

Our Cheer Classes are designed for youth ages 4–10 and welcome all skill levels from first-time cheerleaders to those ready to build on their experience. In a supportive and energetic environment, participants learn cheer fundamentals while developing confidence, responsibility, and self-expression.

Through age-appropriate instruction, students build body control, coordination, rhythm, and musical awareness all while having fun, making friends, and discovering what they're capable of. At the Y, every cheer is a chance to grow.
